

A top-down view of matcha preparation on a dark wooden surface. In the foreground, a wooden bowl is filled with vibrant green matcha powder, with a bamboo whisk (chasen) resting inside. To the right, a small wooden spoon holds a portion of the powder. In the background, a bamboo sifter (chawan) is visible, and a small cup contains a smooth, green matcha drink. A single green tea leaf is placed near the center. A semi-transparent white banner with blue corner accents is overlaid on the image, containing the text 'EXTRACTS' and 'EXTRPURE' along with the number '1'.
